The National Club

The Propeller Club of the United States is a grassroots, non-profit organization, dedicated to the enhancement and well-being of all interests of the maritime community on a national and international basis.

Membership is organized into local clubs called "Ports." There are 116 Port chapters in the United States and overseas composed of professionals and students. The Propeller Club aggressively promotes the maritime industry through many of its programs and by partnering with other similar organizations. Its goal is to educate legislators and the public as to the importance and necessity of all waterborne commerce.

The Propeller Club Port of Nashville

To enhance and promote the well-being of the Cumberland River and its tributaries to the local and surrounding communities.

The Nashville Port

The purpose of The Propeller Club, Port of Nashville, is to develop a better understanding of the maritime industry in this community, promote those companies within the local industry, and encourage interest in the profession within area young people.

The Nashville Port has more than 100 members, representing more than 30 companies in the maritime transportation and logistics fields. The Club sponsors monthly meetings for members and guests, and is involved in several charitable and community-oriented activities.

Membership in the Propeller Club, Port of Nashville is quite diverse and open to all. Perhaps you are a prospective member. For your consideration, an information sheet has been made a part of this brochure.

Port Activities

✿ Essay Contest

Each year in selected schools, The Port sponsors an essay contest meant to increase awareness of the industry and spotlight the local maritime-related industry. The three winners, first, second and third, receive award certificates and savings bonds.

✿ Angel Tree

During the holiday season, members are encouraged to gather toys and bring them, new and unwrapped, to the December meeting where they will be forwarded to the Salvation Army for distribution as part of the annual Angel Tree program.

✿ The Jason Foundation

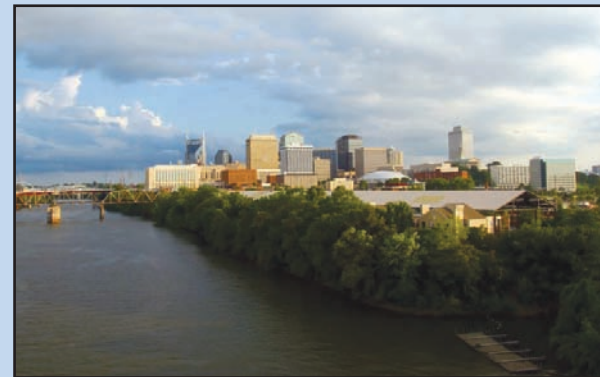

The Port's primary community service activity involves participation in the work of the Jason Foundation, (JFI).

JFI is a nationally recognized provider of educational curricula and training programs for students/educators/youth workers and parents. The programs are meant to develop a greater awareness of the national health problem of youth suicide.

The Jason Foundation was founded in Nashville in 1997 in response to the loss of a 16 year old student. It is intended to provide information, tools and resources to confront this "silent epidemic" and prevent the tragedy of youth suicide.

✿ Annual Golf Tournament

The Port's annual golf tournament and associated auction of sports-themed and other items is dedicated to the support of JFI which now has over 55 offices in 26 states.
