Nashville Propeller Club Golf Scramble benefiting The Jason Foundation

The Jason Foundation

Mission Statement:

The Jason Foundation, Inc. (JFI) is dedicated to the prevention of the "Silent Epidemic" of youth suicide through educational and awareness programs that equip young people, educators/youth workers and parents with the tools and resources to help identify and assist at-risk youth.

JFI believes that awareness and education are the first steps to prevention. We want to establish a Triangle of Prevention by providing students, parents and teachers the tools and resources to help identify and help at-risk youth. This is accomplished through a curriculum unit for students and informational seminars for teachers and parents. This instructional kit provides resources to accomplish this goal. The materials are easy to use and are intended to provide educational information. There is no intent to diagnose or treat suicidal ideation. JFI's intention is to empower youth, educators and parents to help recognize when young people are in pain and know to get professional help involved as soon as possible. For a complete listing of programs, please visit our website at www.jasonfoundation.com. The Jason Foundation, Inc. is a non-profit 501(c)(3).
